Hi Mike and Dan,

Attached for your review is a response to several letters concerning the recent announcement on 24(c) re-evaluation. Please review and track changes to the OneDrive document by COB Friday 4/26.

We received three letters (AAPCO, NASDA, and NC Dept. of Ag. – see attached). The response should be the same for all three letters. This been approved by Tawanda Maignan and Bo Davis. Thanks!

Hi Tawanda,

This is a reminder to please review the draft response to the 24(c) letters by COB today.

FYI – We received yet another letter on the same topic from North Carolina Department of Ag. I expect to use the same response as the other two letters, so any changes you make to them I will use for the NC response as well.

Hi Tawanda,

We have received 2 letters in CMS about 24(c) – one from AAPCO and the other from NASDA (attached). I drafted the same response to both letters, using much of the same language from the [webpage](#) and the earlier press inquiry responses.

Please review the attached response letters and save changes to the OneDrive documents by **COB Tuesday 4/23**. Let me know if you need more time or have questions. Thanks!
